WATOTO GOLF CHALLENGE

GIVE THE GIFT OF GOLF THIS FATHER'S DAY

Find out how many holes of golf you can play in a weekend, while transforming lives in Africa.

Play as many holes of golf during a 3-day challenge that will take place during the Father's Day weekend (19, 20 and 21 June 2015). Golfers of all skill levels can participate as you play on the selected regulation golf courses, or any course of your choice in USA and Uganda; and support our campaign headliner, Pastor John Burns in Canada.

62-year-old John is attempting to play 200 holes of golf in 24 hours, teeing off at midnight on 21 June.

HOW DOES IT WORK

This Golf Challenge:

- Can be played by anyone of any skill level. We encourage individual golfers, teams of golfers, golfers from the same church and families to golf together
- Goal: To play as many holes of golf during the weekend as possible (while raising support/hole played)
- Will be played over the Father's Day weekend (Friday 19th, Saturday 20th and Sunday 21st June 2015)
- Every golfer needs to raise funds through individual or family peer-to-peer donation pages
- Lots of great prizes and awards to be won

PARTICIPANT REGISTRATION

1. Register at a fee of UGX 20,000 via Mobile Money or in person at the Watoto Church Downtown events office or reception. You can play as an individual or register to play as a family or team (church group, bible study group, fellowship, etc.)
2. During the Father's Day weekend, you play as many holes of golf as you can
3. Encourage all your friends and family to support you by donating an amount per hole that you complete. And don't forget to thank them for their support
4. Use social media, Whatsapp and text messages to post details of your participation so you can raise even more funds for the children and women at Watoto.
5. Book your tee times at Kitante Golf Course (just like you would for any normal round of golf). Play 1 round of golf per day, 2 rounds per day, or any combination of rounds of golf during the weekend your schedule (and your stamina) can accommodate
6. You must commit to playing a minimum of 3 rounds of golf (54 holes) - of course you can set your goals a lot higher and aim for 5, 6, 7 or more rounds of golf during the weekend. The more holes the better

7. During that weekend, at the end of each day, register your holes played with the Watoto representative at the Golf Course
8. Remember to collect the Ugandan shillings per hole from your supporters
9. The minimum goal you have to raise from all donations is a total of of UGX 30,000 per hole played. If you play the minimum holes requested of 54 holes that equals UGX 1,620,000. Of course, the more pledges per hole and the more holes played, the more funds raised for Watoto
10. At the end of the weekend, hand over the amount collected from your supporters for all the holes you completed. Either send it via Money or hand it to the Watoto representative you registered with.
11. Prizes and awards will be given at the Grand Finale event on Sunday 21st June
