

Pennsbury High School March to Australia Challenge

Can You Accept the Challenge? How Many Miles Can You Walk, Run or Ride?

In March 2016 the Pennsbury Marching Band will travel to Australia to perform in the Royal Easter Show Parade. The concert jazz band will also perform at the main arena of the Easter Show. And both will have additional performances while traveling to Sydney, Australia for this once-in-a-lifetime trip.

Please join the band as they raise support for this exciting trip by participating in the "March to Australia Challenge." Between August 17th (the start of Band Camp) and September 30th, the band will be tracking every mile they march in practices, performances and parades. The goal is for each student to march at least 66 miles during that time. Why 66 miles? With about 150 members in the band X 66 miles each = 9,900 miles, approximately the same distance from Pennsbury High School to Sydney.

You too can join the challenge by walking, running or biking as many miles as you can during that time, August 15th - September 30th. Just walk, run or ride any day(s), anytime, anywhere, at your pace and record your mileage. And all registrations go to help the band fund the Australia trip. For more information and to register go to <http://virtualcharityevents.com/e/phsband>, or fill in the form below. All participants get a custom designed medal & ribbon, and are eligible to earn participant awards.

Cost: \$35.00 per participant - Make checks payable to PIMB

FIRST NAME	LAST NAME
